\* This form is to be completed and submitted by the Sunday following each meeting. It provides the Small Group Coordinator and the Small Group Ministry Team with information we need to oversee and improve this ministry.

Please give us a feel for your meeting, randomly addressing areas like these as applicable. What is working well and what is not? What worship forms are you using? How well is your discussion material working? Is there good discussion? How is your sharing/prayer time going? Is there open sharing with some vulnerability? Are prayer requests being answered? In what ways are the members ministering to each other? What are your joys as a leader? What are your points of need or discouragement? Are there members who are making it difficult for others in some way? How can we improve this ministry? Please use the back of the page if necessary.

**Please put in Pastor Rod's mailbox. Thank you!**
